Boone Ridge Senior Living Announces Grand Opening

Making this season of life your best season

Salem, OR – Boone Ridge is proud to announce the opening of Salem’s newest premier senior living community, located in the beautiful Battle Creek area of South Salem, this senior living community on the ridge offering tremendous views towards Mt. Hood.

Grand opening is set for **Sunday, May 19, 2019 from 11:00am – 4:00pm**. We invite you to join us and enjoy fine foods including appetizers, desserts, wine, entertainment, and a tour of our beautiful community.

“What started as a dream of mine is now a 130-unit senior living community...I often think back to that day in 1995 and express gratitude for the opportunities I was afforded. Specifically, I am delighted to work with such incredible residents, staff, vendors, and share-holders. Each day is an adventure to find the best ways to serve this community. Some of us are not meant to follow the crowd. Join us in calling Boone Ridge “home.””-Doug Sproul Founder and Owner of Mosaic Management

“Customer service is so important to us as we create a culture that focuses on safety, quality, meaning, and purpose. Boone Ridge will employ, empower, and equip staff that love to serve people and exude joy. I am truly humbled by the commitment of my co-workers and the dedication of the leaders in creating an exceptional place to live. Together, with each resident and family, Boone Ridge is committed to making this season of life your best season,” said Alicia Sykes, Boone Ridge Executive Director.

Boone Ridge will change the way we engage with our seniors in the most beautiful season of their life.
